Gaining access to Italian as a foreign language courses (L2/LS) for international students II semester a.a. 2017-2018

As a prerequisite, if you are a foreign student you need to register for the online services provided by the University of Macerata by visiting the webpage *studenti.unimc.it.*

You will receive username and password and may gain access to courses following **<u>one</u>** of the following procedures:

1) Students having to take the placement test

(no qualification certifying level of proficiency in Italian to be submitted within 30 October 2017 or to be validated by the *Centro Linguistico di Ateneo* (CLA)).

- *Within **30 November 2017** you need to log in to the test webpage* http://moodle.unimc.it
- *(with the username and password you received upon registration), take the placement test and, upon completion, you will be redirected to the courses webpage* http://clacourses.unimc.it that will enable you to join the relevant course on the basis of your test result.

2) Students submitting a university qualification certifying their proficiency in Italian within 30 October 2017.

- *Within **30 October 2017** you need to log in to the webpage* http://clacourses.unimc.it (with the username and password you received upon registration) *and upload your university qualification certifying your proficiency in Italian.*

  Please note: Documents are to be dated before 1st January 2015 and issued by the university of origin or by one of the internationally recognized certifying bodies below: *Università per Stranieri di Perugia, Università per Stranieri di Siena, Università Roma 3, Società Dante Alighier*i.

- *Within 10 November 2017 you will receive a reply by the* Centro Linguistico di Ateneo *(*CLA*). If the qualification is not validated, you will have to take the placement test (see 'Test Registration' as specified above). If the qualification is validated, the* CLA *will reply specifying which course above A1 of the CEFR you may join: you then have to confirm your enrolment by e-mail. In the latter case, the* CLA *will complete your enrolment within 30 November 2017.*
