Si riporta di seguito il contenuto della prova finale, già inserito nel programma del corso:

All candidates are asked to prepare a presentation of one section or one aspect of their research (not the whole PhD project), as if they were aiming to present it at a conference. Presentations shall be orally delivered and can be accompanied by either a Power Point or any other type of visual. The overall presentation shall last no more than 7 minutes. It will not be evaluated for its specialized content but for the overall organization and delivery”
